Brian and the kids, please know that I am so sorry to hear Liz has passed. Please take comfort in knowing she is no longer in pain or bound by the troubles of this life. Brian, I know you loved her and cared for her during the good times and the bad. The love you had for each other is a real testimony to what love should be. I loved her and even though we had not been together in recent years, you both always remained in my prayers. May our precious Lord lift you and the kids in comfort and know you will see her again in glory.
