“ Mom, I could never thank you enough for helping me raise my children and being there through the good times and the bad times. I will miss you even though you called me every other day to take you shopping and I know that it was just that you always wanted to be with us and missed us, Now im going to be totally lossed without you. Im gonna miss bringing you your bag of chips and pepsi to watch the Tigers or the Red Wings, Or the Lions, Pistons.....(hit that ball, come on Cabrara!!) Always making sure me and my girls are safe. You always inspired me to put flowers in the yard and make our home as beautiful as possible inside and out and when the girls were growing up you always made sure they looked there best and had nice things. Despite all of your illnesses you never lost your independence and still tried your best to be there for everyone even though you could hardly walked and were in so much pain. Now that you are in heaven I know that God will heal you and you wont be in anymore pain & I know you are up there busting a move and playing the piano. I will be totally lost without you my little protector. I love you mom and want you to know I appreciated everything you have done and I thank you from the bottom of my heart for always being there for me

“ I will always remember Bethy as a beautiful cousin who was always so kind and gentle she made you laugh. I am glad she was part of my life and gave us such joy to be around her. We share so many memories that will always be in our hearts and mind. Our family is at a loss without her in it but I know she is with us forever. She always enjoyed being with her family at get togethers and brought a sparkle of sunshine where she was. We will miss her and her contagious laugh. Love you

“ Bethy with the infectious smile that she had, She lit up a room when she walked in. Her laughter is with us all when we think of her, I remember her love of baseball and being on a bar league back in the early 60s. Uncle Joe and Aunt Pat were proud of all their kids, and Bethy was Daddys girl. Love you Beth and will keep you in my heart forever. Till we all meet again Grace Ellen(as everyone always referred to me as)

“ Grandma you have always been my bestfriend. I love you bigger than the sky! You have always been so special to me and there won't be a day that passes I won't think about you.
