“ *What a wonderful lady, I'm glad to have known. Betty and Otto both where very good to me and always bought gifts for my daughter during all holidays when she was young. I always loved stopping and visiting them too, and just talk about stuff. Betty still liked talking to me on the phone even after she couldn't remember who I was anymore. I will never forget you Betty! and Otto too.! You where both a couple of my favorite people* □ *Kristy*
