“ *Mom you were taken from this earth way too soon. You had such a fighting spirit and faught so hard all your life. I guess I was naive and thought you would be here forever. We all know this day eventually comes but you never want to believe it and now your gone. I try to have peace with knowing your not hurting anymore and that your with so many I know you have missed for so long. I Love You Mama...FOREVER & ALWAYS! My sweet angel you have your wings back... Fly high mama, give daddy a hug and kiss for me. Until we meet again.
Love your Brat Girl
