“ I did not know Eugene but I know his brother. I was able to send him a message before he passed. I'm sure that God has taken him in hand and let him to the Golden City under his wing. All my sympathy to his family and friends. We all age it's just hard to let go even though we know this is how it is. I'm glad that you Eugene is no longer in pain and is enjoying his glorious eternity! ❤️🙏
