“ My heart and prayers go out to the Cheryl, and the entire family, and may he rest in peace. Sometimes the Lord takes the best, strongest, bravest, most kind hearted from us too soon & I believe it is because they have done their service for Him here, and now he has been promoted, to continue doing the great commission, with wings. Rest in peace geno & may the Lord give those, left behind, peace and understanding.

“ Nicole Brookins is my daughter and she became Geno's friend in high school. I lost my dad to cancer Nicole's grandfather. Before ge past Nicole ask me if she could bring her two best friends home to met me and they are boys. When I met Geno and Richard I was very pleased with the two friends she had chosen. Very well mannered and showed a lot if respect for Nicole and our family. So when my dad past Geno and Richard was there daily and at the funeral. They spent that whole summer with my daughter only as friends I wouldn't have mind a bit if they had dated but they had more respect for her than that they even took her to the river so they could swim nut Not Nicole they promised my Nicole didn't know how to swim in the river. Through the years Geno never forgot me he always spoke and always asked avout Nicole and said how he missed his best friend. Nicole is really sad and hurt she sad she needs to say go bye to him and can't if she and I could come please call me I'm her mom 810479-6693. Thank you and god bless
