“ Loved to go and see him and Jack. He really loved his animals. He had good days and bad days. Dementia was starting to take over some days. He seem to be talking to my mom all the time, it was starting to keep him awake at night. He always like going to Arby's for lunch all the time and some times we would go to the Golden Coral. I will miss these times out together. I love you and Mom very much. Princess is with you also.

“ Loved going to visit my grandparents in Richmond, mi. I will always remember their beautiful gardens. Grandma (Marjorie) and grandpa (Eugene) always loved animals and always owned cats and dogs. I'm sure grandma is much happier in heaven with her beloved Eugene and their dog Princess. All of them are loved and missed very much
