Growing up on the north channel of Lake St. Clair, he loved the water and boating. He was a loving and doting husband and very family orientated and his children were his pride and joy. He is survived by his wife, Denise, sons; Chance Michael Petrovich and Trace Eugene Petrovich, father, Eugene, sisters; Millie (Rick), Jenny (Bob), Julie (Devon) and a brother, Andy (Carolyn). He adored his role as an uncle to 10 nieces and nephews.

“ My husband, Raymond Lipowski, was a classmate of Gino and Denise at Algonac High School. Thanks to Kevin Rausch and Ray’s sister Janet, Ray and I got reconnected with Gino, Denise, Eric Schenkus and Gary Vigneron, and their spouses, and we started to get together from time to time. One evening we were hosting dinner at our house and Gino brought so much food to our house it was unbelievable! I asked Gino “ why did you bring so much food?” And he said he was raised not to show up empty-handed. I posted a picture on this website showing Gino with Eric and Kevin looking over their Algonac High School yearbook as they reminisced about all their shared memories. We certainly will miss Gino, and extend our heartfelt sympathy to Denise, their children, and Gino’s extended family. I believe Gino’s presence will be there to support you as you move forward in ways you cannot yet know.

“ I remember Gino as being "The cool Guy" back in High School but he always took the time to say hi. He was genuine and just a nice guy to the core..... My heart goes out to his family and close friends during this difficult time. Live life to the fullest my dear friends.... Until we all meet in the AHS reunion in the sky.....

PS

I just now found out about Gino's passing. I am just in Shock. I worked with Gino at Utica Enterprise for several years. After I left Utica, Gino continued to stay in touch and would drop in many times at my current place of Employment. I genuinely felt that "once a friend, always a friend" was Gino's motto. He did an amazing job of "not forgetting" the people that he came to know in his lifetime. It really didn't matter how long of a timeframe there was in between visits...it was as if we started just where we left off at the last visit. I'm truly devastated that I did not know about this. Gino was a great, great guy and it was extremely evident just how much he loved his family. My heart sincerely grieves for Denise, and the boys. Sincerely, Patty Sawicki

I just spoke to John Taylor one of our classmates at Algonac HS. I am so shocked and sad. I attended our 40th class reunion in August and was able to catch up with Gino. I will keep Denise and the family in my prayers. Glenn Weiland class of 81
