“ *My mother was a shy, quiet, and very intelligent woman with a kind heart. She loved a good story whether it was a movie, a book, or even a sappy soap opera. She raised six boys and one girl and I'm sure it wasn't easy. If one of us had a problem we would always go to her and she almost always had the advice we needed to help us with a solution, she was the foundation of our family and I am going to miss her very very much. I love you mom.*
