“ *My condolences to Doug, Jan and family. I spent a lot of time with Evan in middle school, and on. Lots of fond memories of trips to card shows at Gibraltar's and feeding the dogs. You will be missed.*

“ *We remember like it was yesterday when Evan was a young boy. He was a great friend to our son Jason. Evan spent a lot of time hanging out at our house during his youth and early adult life. His smile, laughter, and happiness was a part of him every where he went. He was a part of our family and will be sadly missed. Evan's smiling down on us all with a smile .... I just know it! Love you Evan. Mary and Dave Eagle and Family*

“ I'm still kind of in disbelief and can't imagine how Evan's family is feeling, my deepest condolences to you guys. I met Evan in the 5th grade. I was the new kid at school and he made friends with me and made me feel like I fit in right away; that's the type of person he was.

*I spent a lot of time at Evan's house over the next several years and got to know Doug and Jan quite well also. They became like a second family to me. I'll never forget all the things Doug did with us and his sage advice, or the way Jan could talk to us like no one else could. I'll never forget all the good times I had growing up with Evan. Whether it was shooting BB guns at each other, playing games, and all the other things, I'll always have those memories my brother. Godspeed.*
