“ *Miss Evelyn. Rest in peace and know you will be missed by everyone. You were my first best friend. You taught me how to put on makeup, we were like 12 years old. We drank coffee and smoked cigarettes. One time , if you remember, me , you, and Jeff tried to smoke pot wrapped in newspaper. lol we did so much together. I'm sorry I can't be there, as your family was my family so much of my life. You made me so proud of you. I love you and will think of you often. Your friend, Toni. Hugs to heaven*
