“ So sad to hear of Aunt Floras passing. Many fond memories from family reunions over the years. She was soft spoken just like Grandma. Although I hadn't seen her in recent years I will cherish memories of my Dad's "Sis"

“ Flora was the best mother-in-law you could ever ask for....Mark and I were married quite young and she taught me so many wonderful things. One of my fondest memories is of Flora and Al working in the kitchen canning the years harvest. She would tell stories of the amount they canned when she was growing up and Al would smile in agreement as if to say "this amount is nothing"!

*She will truly be missed!*
