“ Florence became my friend through Weight Watchers (WW) meetings in Richmond. She was truly a wonderful person. She and I would go to lunch and talk for hours. She was the kind of person you felt you knew your whole life even though I had only known her for a little more than five years. I will miss her deeply. Yvonne McColl, Marysville, MI

“ Worked with Flo at BCBSM when we were in Medicare and EDI. One of the most loveliest ladies I have ever worked with. The world has lost an angel. She just loved her nephews also and made sure they had a wonderful life what a great aunt. My sympathy goes out to the entire family. 🙏

“ Although I worked with Florence for a only few years in EDI, she was a beautiful soul. I pray you embrace your many wonderful memories and know she is only as far as your next thoughts of her. May you feel her arms still wrapped around you and those of her angels holding you close to comfort you. Kathy Similo
