“ I could not have asked for a better aunt. My dear Aunt Fran was more like another mother to me. She was so easy to talk to. She was a classy lady. Like her mom my Nani. Whenever I knew she would be at a family gathering, especially Christmas it was all the better. She enjoyed singing Christmas carols as I did. I remember going to her house as a child with my sisters when the weather was so hot. They had a pool and she welcomed us to come over and cool off. She was beautiful both inside and out. Always dressed up, everything in place. Even when she was so ill, she painted her nails and took care of herself.

We talked on the phone often since I live quite a distance. I knew something was wrong the last two times I called her and she did not call me back. I feel blessed to have been by her side with her daughter Kathy my dear cousin/like a sister, as she slipped from this world to her home in eternity.

Aunt Fran I have so many great memories of you throughout my life and my heart is sad that you are no longer with us on this side. I am choosing to think of the time when we will all be together in heaven. For now I am sending you kisses and hugs and all my love. Debbie
