“ UNTIL WE MEET AGAIN FOR ETERNITY Grandma its been a year and a half since you left this cruel world and went to heaven to live a life of happiness for eternity. I am very sad that we don't have you here anymore but i am glad you are not suffering here on earth God had bigger and better plans for you to fulfill. Just know this we will all be to heaven to be with you shortly cause life here on earth is only a waiting trail of errors for us to learn patience cause once we get there we will not know time just eternity so when you are walking beside Jesus threw the kingdom and look up and see us just know we have been patience but we will never have to part ever again i love you grandma and you are missed by each and everyone of us

“ *My Aunt Fran loved to help people in their time of need, whether it was a shoulder to cry on or a place to stay she always had her heart open. She always gave great advice. I will miss her witty, quirky sense of humor, I will miss her being here in body, I will miss her calmness. Her favorite word like, "oh gross " She always had the best recipes for meals like those baked beans. I love you Aunt Fran, thank you for your loving us all. Your niece Cathy*

“ *Fran was my best friend for the two years I lived on Fowlerville Road. She lived close by on Lovejoy Road. I knew no one and she made me feel so welcome. We had so much fun together. I loved her dearly. We did our best to stay in contact. But, as years passed, we weren't very good at it. I don't think it really mattered because we knew we had a special bond. Love you girl!!! “ *My Aunt Fran was a remarkable woman, wife, mother, sister and aunt! She could make me laugh at a drop of a dime with her quick wit and what I like to call her Fran'isims, and she had many! My fondest memory was when we, as a family, went salmon fishing/camping up north and the fun we had just being together eating, laughing and exploring. Thank you Aunt Fran for being the best Aunt anyone could ever have! You will be missed beyond comprehension, where mere words could never express! I LOVE YOU WITH ALL MY HEART!*
