“ Fran and I had a special relationship. With us being close in age, we became friends. We spent many a day backstage just visiting. I got to know her when she could relax after creating countless of her hair styles for our shows. She always gave all she had. I loved her quick wit and her fun comments with that Texas drawl. Many times we were both exhausted but we took the time to laugh. Fran also was there for my daughter. Any special occasion Mia was with Momma Fran having her hair designed for the occasion. I am going to miss her always. She touched so many of our lives. My heart hurts losing Fran but I can't help smiling when I think how blessed I've been knowing her. She's probably doing all the hair styles for God and the Angels now. Your Mom, wife, grandma, or great-grandma was a very special, one of a kind person. My condolences and prayers for all of you. Fran ROCKED!
