“ Thankful to Ted for the kindness he showed and friendship he shared with my mother over the last several years. They were both fans of the senior dances at the American Polish Century Club, and regularly played cards at her home until her recent health concerns interrupted their routine. Although I spoke with him from time to time on the phone when he would be at Mom's for cards I only had the opportunity to meet him once, since I lived out of town. I was glad to have met Mom's kind gentleman friend.

“ All of us who enjoyed dancing with Ted at Polish Century in Sterling Heights will miss him at our table. I know he is probably dancing his way into God's ballroom. A kind and gentle soul that everyone loved.

“ *Ted was a wonderful man and a great Meals on Wheels volunteer. The senior citizens he delivered meals to looked forward to his visits, and the OPC staff enjoyed seeing him every Friday. Ted had so many interesting stories about his adventures delivering meals over 16 years, he often said he could write a book about his experiences. He will be greatly missed.*

“ *He was always willing to help others, with a smile. Met him while working at Chrysler back in the 1970s, and we remained friends over the years. Sad to hear of his passing. Too bad there will not be a memorial service.*
