“ Deepest sympathy of Frank rather Francis 2 little kids that were connected for a short time but ending up meeting later in life for a reason. Still the same reason today. He was and I am sure from this a special man and not always getting credit due but noticed. Again, I am sorry that I did not have the chance to see or talk to him now. Covid brought about so many deaths early. too early and and Church says "You do not know when your time is coming or up. I still Feel it can be changed or altered if lucky. Mass will be put in for both names. MCBraczyk Michigan Telephone Company ATT

He was a loving man, I'm sad to learn of his passing his daughter asked me to find him, I searched for many years but gave up about a year ago. Started the search again because I had news of his brother being I'll. He was a loving father to melissa dean long. Haunted by ghost of the past that only those who have been to war understand. I love you dear brother in law. You are my hero. Rest now we will met again.
