“ Frank was a very nice person. I met him when I did his taxes. He then became my plumber. There no problem he could not fix. He was an all round nice guy and will be missed. He always went above and beyond for others. I am very sad about his passing.

“ To Frank D. Family and loved ones, my deepest condolences go to you all. Frank was a good man in my book and even better friend and teacher.

Frankie,

I miss you friend. I am very grateful for meeting you and becoming friends. You taught me alot about plumbing and other things. I will miss the good times and all the laughs we shared. I will miss most of all working together, you had a way of making work not seem like work. God Bless everyone that helped him and was good to him. If there is anything I can do please call or message. I will miss you Frank.
