“ Uncle Frank had this tough exterior but was always a complete mush with me. My family would visit Michigan almost every year and one of my first memories was getting into mischief with Paula of course while totting Phil with us and as soon as I cried a little Uncle Frank gruffed don't get caught next time 😂 Benny and I were blessed to have visited my parents in South Branch several times before they moved so we spent time with Uncle Frank even enjoyed a few Church singing fellowships together 😊 I am certain he is with all the family members who passed before him including my Mother singing his heart out for Jesus 💖
