“ Our deepest condolences to Craig, Jacqueline, and also to the rest of your family. Your dad and I (Chris) grew up together when we were both young at his parents Froman & Agnes. Whenever he came back to Oneida Nation of the Thames we would visit and chat a little. He felt like my big brother, and his smile would warm up a room. Our prayers are with the whole family. Nak ki wa. (See you later brother).

See you later
