“ Gail, my sister in law. We go back a long time. The fun family times around Freda and Jig's kitchen table! At yours and Bills home over on Hamburg! Thats where you raised 3 strong outstanding boys and your beautiful sweet and strong daughter Lori.And who can forget the times at Peg and Jim's bar! I have a lot of wonderful memories of you and the family <3 RIP Gail. I know you are watching over your family until we all meet again.

“ Gail,you were my sister-in-law,sister.....,sometimes my mom. You were a big part of my younger years. You taught me how to drive at 14,how to cook,and to be silly as i was kinda shy back then,who'd guess lol !!! We went through so much together back in the day. You shared your kids with me and I ran with it 😊 Billy was my baby,I took him everywhere,and loved doing it !!! Then when i had my babies i looked to you for advice,you were always there for me OXOX. My brother was VERY LUCKY to have found you!! I love you,and can't wait to have eggs,bacon,toast with you and some other angels.... Please tell my mom i love her and miss her terribly 💔 i won't say good bye...I'll say until we meet again.... Always in my heart sis love you so!!!
