“ *At peace now, back with your beautiful daughters,, now we have to find a way to go on. You will be so missed, my friend. The world has lost one of its most lovely gems. You never had a bad word for anyone, you showed all of us how to love unconditionally. The world needed so many more just like you. Rest my friend, you have earned it. You will be remembered always. Your beauty goes on in your grand children. Love you always. Duchess*

“ Jean was my beautiful cousin, she was a big part of our lives growing up, I remember when we were little in Michigan we would stay with Jean and Ray, one day Jean made us split pea soup for lunch and we fought tooth and nail with her not to make us eat it, she wouldn't let us leave the table until we finished it. It took us hrs but we finally ate it, it was so funny. She will be missed so much by everyone who ever knew her, so many great memories at family reunions. I love you always and forever, say hi to everyone in heaven ok. Till we meet again beautiful Jean Usasan.
