“ You were my sunshine. The light and love of my life. To be so loved in one lifetime is truly something special. Through all the years we were always there for each other in good times and bad, richer and poorer. You will be so missed not just by me but the world. You will always be in my heart. Thank you for being my knight in shining armour, the unconditional love, all the memories, the laughter and for just being wonderful you and loving me so completely. Love your Gypsy

“ On behalf of our family we would like to thank everyone for your kind and thoughtful words. Gary will be forever missed. His quick wit and charm along with his contagious personality could certainly keep us entertained. Gary was more like a brother to me than a brother in law. Unlike some Gary was definitely brutally honest. Sometimes I would ask him to please not be so honest to me especially when he would tell me that I had on a gaudy outfit or that my decorating style was called "clutter". With a silly grin he would always follow it with a comment like, "sis it's ok we love u anyway". He definitely wasn't shy and never forget to end a call or a visit without a hug, a kiss and a I love u.

May u rest n piece Bubee and thanku for making me a better person..

Love u

Lori "sis"

“ All I can say is he wasn't just my godfather, or my uncle, but my best friend, the jokes and the stories I have been lucky enough to share with him, will live on in memory of him, he was such a kind hearted, open minded, loving man, and I will forever hold him in my heart, and so will my family, so thank you to all of you that have posted the kind words.

Rest in peace uncle Gary

“ He also has two sisters (and an Uncle to 4 nephews and s niece) in California that loved him as well. I'm one of them...sad to see we are not mentioned...he was a very big part of our lives until he had to move out of California and stopped communicating. My heart breaks. My deepest sympathy Dianne and Harold.
