“ *My Step Dad was a brave man stepping into a large family and providing for all of us kids. But we were happy too have three more little brothers to get in trouble with. He was a social man loved to talk to other people. He had a pretty good sense of humor to. We would watch the Tiger games together and that's the only team we could agree together on to root for all others He seem to root against us just to get us going I think lol. Anyways RIP Ole Man you be missed but now your with the Queen of our family my Mom now. Love ya see ya when I see ya*
