“ Very sorry to hear about Gary's passing. Many memories of Gary going back to our college days at Albion College goofing off in the dorms. He was great at helping us fix appliances that broke in our house and our daughter Ava absolutely adored him. His lasagna was better than any restaurant. He had a great laugh that we will miss hearing. God Bless the Wilton family and pray he will comfort you during this time and in the days ahead. Jeff , Lisa and Ava Lovett.

“ *Our family is so saddened to hear of Gary's loss. His father and my father were business associates and sailing pals for years and when Irwin stepped aside Gary stepped up to the plate and did a wonderful job. I enjoyed our conversations and loved his jokes and his attitude toward life. He took everything that came his way and kept smiling all the way. People like that are rare and wonderful to know. So long Gary... you will be missed.*

“ Gary was a good guy and always treated me fairly. He continued to be our go to appliance guy for many, many years after Irwin stepped away. If I had a problem at home he was always ready to stop and help me there as well. Always on the run, but always with enough time to help. I will miss him. Rest well Gary.

“ Gary would make the best lasagna ever and completely unannounced show up at my house with a couple sections all wrapped up. Who else had an appliance serviceman bring them lasagna!! Sometimes he wouldn't even stay, just drop off the lasagna and be on his way. What a guy. My sympathies to his family but I'm grateful to have shared his friendship and I'm happy he's no longer in pain. Sandy Bellinger

I only knew Gary from Wilton's Appliances. He came a few times to my home to make needed repairs for me and to install appliances I had purchased. Before I purchased a new dishwasher from him he had come out to see what was wrong with my ice maker and I asked him about the old dishwasher which I didn't use a lot. He took the front off and showed me how to start it by rotating the fan which gets stuck if you don't use it a couple times a week. That saved that old dishwasher through many more dishes before I went off to buy a new one from Gary. He was always so nice and friendly. I'm sorry to hear of his passing but know he is now free from his earthly pain and suffering. My deepest sympathies to his family and friends.
