“ My Aunt Gayle will be missed for her fun sense of humor, and her funny memories of her siblings and parents while she was growing up. She was my dad’s baby sister and only remaining sibling. I will miss our short quick visits and hour long conversations on the phone, and of course her baked goodies! No one could bake like she did!! ❤️ 😊

“ I was Blessed when I married Kim and gained you as an Aunt. You treated us with so much Love. I enjoyed our talks especially about God. We both agreed on the saying Christians don’t die they just pass on and go home to be with the Lord. Well Heaven definitely gained an Angel on 2 -16-24 when you entered into our Fathers Kingdom. I will miss you for now but will be looking forward to reuniting with you along with everyone else.
