“*Dave, Jon, and the Pake family, I'm sorry to hear of your loss. I remember your father being one of the parents that was present at just about every sporting event and school function that we attended together. I know he did it as a proud parent and not because of administrative duties. There was no question that he was proud to have mentored and raised two sons that became very talented basketball players. I'm sure you miss him dearly and may his soul rest in peace.*”

*Dear Pake family. I'm very sorry to hear of your loss. Wish I had known your father/grandfather/dear relative. I learned of his passing because I was looking up my own father's history—he was George E Pake (born in 1924 in Jefferson Ohio). He worked at universities and also for xerox as a science administrator . From what I know of the Pakes in the US , most of us are related.
Please feel free to contact me: Catherine Pake at cepake9@gmail.com. I live in Portland Oregon.*

“ Betty, Jon and David,
We are very saddened by your loss. George did an outstanding job for the Marysville Public Schools during his many years of service. After George retired I had the honor of doing my best to follow in his footsteps as Assistant Superintendent. Sue and I became close friends with George and Betty over the years. We traveled together to watch many PGA tour events. He will be greatly missed.

“ Dear Betty, David, & Jon,
I'm very sorry to hear about the passing of Mr. Pake. He had a big influence on me when I was growing up and also in my early years of coaching and teaching. George was always so kind to my mother when they worked together in central office. I am praying for his soul and all of you. I'm very thankful to have Mr. Pake in my life. Have a blessed day. Love, John Knuth

Thank you so much Mr Knuth for thinking of my dad. I found a 1957 yearbook which was his first year at Marysville as a 9th grade basketball coach. Coach Parfit was the varsity coach and Paul Jackson was his point guard. They look so young.

Thanks Mr Steele, he definitely loved seeing you and Marry Ann. I'm glad I got to meet both of you last summer. He was a fighter till the very end. The Hospice nurse even made a comment about my dad and his determination to fight it.
