“ Jerry was the first friend I made when I moved here over 40 years ago. He was a best friend to us and an uncle to our daughter. His name is the first name I list as a reference on all my job applications. He is the first person I call on every holiday. I have nothing but wonderful memories and laughter when I think of all our adventures together. You will always hold a place in my heart today and forever. A friendship I will forever cherish. Rest in peace dear friend. Gone but not forgotten.
