“ I just learned of Jerry's passing and am so sad. We met when we were in third grade sharing many childhood memories from playing board games, climbing trees, walking across the Blue Water Bridge, riding bikes, and even going to Senior Prom together. After graduating our roads took different paths but we always connected thru Christmas cards. I wondered why I didn't receive one this past holiday. Now I know. Rest in eternal peace my friend. Love always.

“ I am so sorry to hear of Gerry's passing. Goes without saying about his great taste and love of fine things. I have such fond memories of Gerry working on our design committee during the Main street years. He traveled with us to conventions across the country. We learned and laughed. He was always up for a great restaurant or new adventure. Such a fine man. He will be missed. Love you Gerry. Kristi Hazard
