“ I did not know that GMT had passed away until today I saw his page in my messenger. As I don't get on fb very often. I wanted to send my condolences to his family, friends and all who loved him. Like so many others I never got to meet Gerald even tho we lived in the same small town. He touched so many peoples lives as, well as mine. Sending music, pics of marvelous sunrises, snow or of Charlie his beloved dog and partner. He will and is missed by so many people. He was a special man. R. I. P Gerald Mark Trotter

“ Mark, I hope the sunrises in Heaven are more Spectacular than those you took photos of while fishing along the River Banks. It was an honor to meet you and chat during those cold and windy days. Sharing the net was just an added treat. Your music and smooth voice is missed here, but knowing the Glory you now have, just brings that much more respect for you. May the Lord be with your Family and Pooch while they Celebrate your Life.

“ *My Condolences To All The Family R.I.P. Mr. Gerald Mark Trotter Thanks For The Friendship I Will Never Forget You Rest Well My Brother*

Atlas Strongbuck - September 08, 2018 at 02:55 PM

“ *You brought daily sunshine into the lives of your FB family, shared wonderful photos of your 'catch of the day', toured us around Port Huron in your automobile while playing great background music, brought us into your 'man cave' to serenade us, took us for walks in your neighborhood with Charlie, and gave us beautiful sunrises and sunsets. While your virtual family felt the loss of your presence some time ago, it is your real family, and friends, that we now reach out to with love and sympathy. May the sorrow that you are all feeling now soon be replaced with only the sweet living memories you shared. Thank you so much, dear Ruby, for thinking of us and keeping us informed as you walked these last steps with Mark. May God bless you all and bring you comfort.*
