“ I don't think you'll ever know how much It meant to me that you cared for me and loved me like I was one of your grandchildren until you physically were unable to. This world didn't deserve you Gloria.

“ She took such good care of folks. I believe her care was so much comfort to other families. We have grown apart the last couple of years but at one time she was my best friend and I give thanks to the Lord that she was. She loved her family and expressed it in so many ways. Rest in heaven with the Lord Gloria. I will always remember you 🌹💕
