“ From the first day I met "Pa" Vought back in 1983, I knew he was a special person. Never a complainer, he was that way to the very end. I can't imagine getting up at 2 or 3 in the morning every day to run Coca-Cola routes...and he did that for years! He took such pride in what he did. Anyone that knew him could see that in the way he cut his lawns - "like a carpet", he would say to me. Marrying his daughter (Karen) and, thus, becoming his son-in-law, I felt totally accepted by him as a family member from Day 1. I still remember the laughs we shared after the few rounds of golf we played together. He was truly the King of "Worm Burners". Even that showed so much about his personality - being able to laugh at yourself. He used to call me Woodrox and I liked the name so much that, even today, I use it as my User ID on some web sites I visit.

I can't tell you how much I'm going to miss him. We've all lost a very good man.

I love you, Pa.
