“ *Every single morning my dad would say, "good morning eldest, daughter". Everyday he busted out in song. Everyday he was kind, considerate and caring. Everyday he reminded us that Jesus is king. Everyday I will carry him in my heart and everyday I will try to be a better person because of him. Although, I'm not sure how I'll survive everyday without him, I'll do my best be like him. Spreading song, light & love.*

“ *To my sister and her girls and family... our whole family shares in your grief. Greg was one of the most important men in our family. He was so kind and such a good person to everyone he met. Our hearts were broken when he passed. He left us too soon... He was a Godfather to Rob and one of the best uncles to Earl and Rob. They have many memories with him... We will all miss him so much. He loved you more than anything Cin. He loved his family.. more than anything. I'm glad that we have so many good memories of him. He will live on in our hearts for always. I'm so happy Earl told him to go ask you out.... then life with him became a love story.*
