“ *Greg, you were definitely one-in-a million. A lifetime friend. We hope that when you got to where you're going, there's tons of cranes, excavators and backhoes with plenty of dirt and sunshine to keep you occupied until the rest of us get there, too! We love you Greg!*

“ Greg,

We were born in consecutive months, spent a life time together playing, working hard, accomplishing much and especially laughing, Losing you my cousin/brother/friend/life time business partner is tough to think about, seems strange to be on Earth without you. When you realize who you laughed most with in life with
