# Tribute Wall

“ Greg and I had our ups and downs but when it came down to it I knew that he would always be there to have my back. Friends on and off for 25yrs and had an amazing child in the middle of it all whom my heart is breaking for.  
May he forever be at peace and clear of his demons 📄💔📄

“ My dad loved a lot of things. Food and comics and the macabre and good music. He shared a lot of it with me. I wish we could have shared more, and I could have hugged him just one time as an adult. Im glad he was loved.
