Tribute Wall

“ I was so saddened to hear of Greg’s passing. He accomplished many things in the short time he was here. One of the most instrumental things was both my son Ian and myself getting to meet his mom, Margaret. She has been a wonderful source of comfort and kindness to us both. As a parent of an adult child with Epilepsy, she has many times enlightened me and it was a comfort to know she kept an eye on him when he taught at Cleveland.

We will do our best to honor Greg’s memory by paying things forward. RIP Greg 🥹🙏🙏🙏🙏

 Colyn Marie

I was blessed to know Greg. We worked together, and always had a smile on his face. He was the one I knew would always laugh at me and with me at the smallest things that happened during work. His bright light will surely be missed. His smile will be missed. His willingness to help will be missed. Your family is in my prayers for this most difficult time.
