“ I would just like to say to the family that this is a terribly great loss for everyone including my family. He was one in a million, from one of the greatest generations, he just joined Sally and my parents in paradise and he will be sorely missed. His memory was amazing right to the end. Great guy, kind, pleasant and shared amazing stories that we will cherish!! With much love and great sorrow,

“ I had the great pleasure of getting to know Guy in the Sunny Seniors Golf League, and found him to be a real gentleman, a man who always had a handshake and a smile. His friendly face will be missed.

*I was just informed today of Guy's passing. He was the salt of the earth. Sally and Guy were the true meaning of "the power couple." You could not have met a sweeter or more unpretentious man. I first met Guy in the late 70's when I became fast friends with his youngest son Guy Jr. We were all devastated when we lost Guy Jr. in 2012. And then two years later they lost their eldest son David. My heart went out to Sally and Guy. No parents should have to lose one child, let alone two. You can never recover from your world being rocked like that. But their strong faith in God held them up. It makes my heart happy that they all will be together again.*

*My condolences to Diane, Tom, Janine, Ashley, Guy III and the extended Randazzo family.*
