“ I will always remember our quick stop a couple of years ago to visit Aunt Gwen. We were traveling from Niagara Falls to Michigan and we decided at the spur of the moment to visit her. It was a delightful evening and it took me back to my childhood. Her fun smile and pleasant conversation made the visit incredibly special. It reminded me of the many times we visited her and Uncle Ray. God bless you and your family. Kathy (Labs) Consoli

“ We have been friends of Mary's for many, many years. Through Mary, we have come to know both of her grandparents. The love that they've shown her has been unconditional like that of parents! When Mary's grandma moved to be closer to her and the girls, I always enjoyed hearing so many stories of their weekly shopping trips, the stories of the bond that they have shared for so many years. I am so proud to have Mary as a friend because she was able to take care of her grandma through many visits and phone calls every day just as her grandparents have done for her. May Gwen's memory live on through the loving people's hearts that she touched.
