“ *I met Harry only very recently. He was a nice fellow. I was saddened at the loss, as were the rest of us at the Salvation Army. I know he's in a peaceful place now. I will miss him.*

“ We first met at Riviera, then again at Lindas Place, thats where it all began..you the cook and me the waitress. Just last week you messaged me "Have coffee, need Waitress!" It's hard to believe you're gone. We had our ups & downs Harry Bowlin but I loved you & I know you loved me. I will never forget our time together & I will treasure all the memories we made along the way. Love, Your Princess
