“ *I was extremely saddened by the news of Harry's passing. I've known both Harry and Shirley for over 35 years. Yes I lost touch with them but have never stopped thinking of them or loving them. Harry was a fantastic friend and always had a smile and hug ready when we saw each other. I will truly miss my friend Harry, but I know he's so much better now. My Love and prayers are with Shirley and Roni.*

“ Mr. Harry had such a kind heart and I remember him as a big part of Fair Haven Elementary. He was loved by all the kids, the parents and the staff. He was always there to help anyone who needed it. His jovial laugh could be heard throughout the school. I remember the kids trying to figure out who was Santa during the parties and assemblies at Christmas time. I think he loved life to the fullest. He adored his wife and family and I'm sure he will be greatly missed by all who knew him. Shirley, I will keep you and your family in my prayers to help you cope with your loss.

“ Loved Mr. Harry! Worked with him for 12 years at Fair Haven Elementary. He always called me "Mrs. Douglas." I will never forget the time he dressed up as a woman and rode a bicycle (in a dress) around the school gym during an all-school assembly. I laughed so hard I could hardly take a breath. Honestly, I have never, ever laughed so hard in my life. Shirley, Mr. Harry talked about you all the time. He sure loved you! Sure will miss him. You and the family are in my prayers.
