“ I've known Mr. Pete for a great many years from when he coached my daughter at Garfield Elementary School in basketball along with the time that I worked with him at Holland Woods Middle school. He was truly a wonderful person whom I have had the great privilege of calling a friend and also the many great conversations we've had throughout the years were golden. He was a true hero and friend to the community who devoted much of his time being a mentor and champion for wherever he could meet a need. I will always remember his wit, his humor and his wisdom. He is already missed and many feel the void. I know that I will miss him hitting me up on FB from time to time checking on my well-being. May God bring peace and comfort to his dear family and friends throughout this time.
