“It is in great sadness that Gary and I were not present with Harvey in his final days with our sister, Lucetta, and their families. However, we have been blessed by God with Harvey in our lives, because we not only gained a friend, but we also have wonderful memories to share. It is because we are just a bit selfish that we are all in sadness at the loss of Harvey; however, it is with great sorrow for our sister, Lucetta, who has lost her gift from God.

*Through Harvey, God blessed my sister, Lucetta Kloss, with grace and a new life. With Harvey, Lucetta found her true beauty, a love for life, a free spirit through truth, and genuine love. It is in their shared love for horses, their shared love of farming, and a love they have for their kids and for each other that their greatest wants are achieved and their deepest desires are fulfilled.*

*“For to me, to live is Christ, and to die is gain.” Philippians 1:21*

*With all of our love and sympathy,*

*Donna and Gary Leek*
