“ My sincere condolences to Hattie 's family. I had the good fortune to meet Hattie and Bill through golf at Black River Country Club. Especially memorable was her being a part of our entertainment group during the ladies invitational. She was somewhat hesitant initially, but once she was committed, she was a star! She played the part of a bumbling magician and performed the part so well, she received a standing ovation! Those years are far behind up now, but they are memories I will forever cherish. She was a lovely friend and a grand lady! She will be missed.

“ I always enjoyed spending time with Hattie, especially during the holidays. I have found myself thinking about her now and again, and remember the fun times we had, especially at the oyster bars in Florida. One time in particular Hattie decided the female wait staff wore shorts that were too short. The priceless part of this was when she asked the male waiters to wear the same length shorts the women had to wear, not one waiter had positive things to say about that. What ensued after that was priceless and classic Hattie. For everyone who was there, a good time was had by all that day.

To Hattie's family and friends, she will be greatly missed, and as time passes, may your memories be fond and plentiful. Prayers and kind thoughts are being sent your way.

It was an honor being part of the Taylor family. Peace be with you all.

“ To John, Jim and family,

My heart sank to the basement when I got the call that Aunt Hattie passed away. I have so many fond memories of her and all the fun we had when I would spend the night at your house when I was a youngster. It is with a heavy heart I say I will not be able to be there with you for her service. My thoughts and prayers will be there with you on Friday...you can count on that. Huge hug to you both.....Love always, Randy and Gina
