“ Rest peacefully in heaven You. were a giving person. We will miss you so much but God took you home. We will miss going for rides and sitting by the river with you . You had so much spunk and spirit , You will never for instant be forgotten by all who knew you! It would have been 62 years tomorrow that you were a teenager and a bridesmaid in our wedding. We will always cherish the times we spent together always wishing it would have been even more With love your brother Nick and your sister-in-law Arlene
