“ Aunt Helen, my Aunt, the last surviving sibling of my Dad's siblings was a very special person to me. She knew how much I loved her. She called me on my birthday and called Rhonda (my wife) on her birthday. It's been a long time since I was able to be in Port Huron but when I was I always knew I had a place to sleep. Her and Uncle have always welcomed us.
Know this, she is at home in heaven. We talked about that long ago and I know she is rejoicing with my Dad and her other brothers and her Mom and Dad.
To Uncle Ron, Ron, David, Judy and Kathy, I have been praying for you and for the comfort that only God above can bring you.
Let's celebrate her life and the wonderful person she was.

“ Verna and I were so sorry to learn of Helen's passing today. Verna worked with Helen at Fred Stanley's Mkt. for several years and enjoyed those years working with her.

I remember Helen from many years back when I would bring the girls in when they were just young. Lori and Kim are now grown up, married, and have families of their own. She was always a very friendly lady.

We know she will be missed by her loving family. Our thoughts and prayers are with you at this very difficult time.

We are both sorry that we will be unable to attend both the visitation or the funeral, but our thoughts will certainly be with you.

*Our love and sincere sympathy to Helen's family,
Verna Course

“ *I will always have fond memories of Helen. She always treated me as if I was one of her family. She always approached me in any setting and gave me a big hug and kiss. My parents died young and Helen always made me feel warm inside like she was my parent. My seven year old son asked me once if she could be his grandma because he doesn't have one. I told him I was sure she would love that. Helen---thank you for blessing so many lives.*
