“ Sorry daddy I wasn't there for you. I guess you can say I am alot like you. Live my life the way I want to live with no regrets. Only now do I realize I have many. If I could do it all over again I would never have left my family back in Michigan. God how I miss you already. I'll never get to here you sing and play guitar again. I'll never forget the time when Dawn and I were at grandma and grandpa's house and you would be "feeling real good" and we would say " daddy daddy please sing us a song" weevils all sit in a circle and you'd get your guitar and start singing your master piece "dawn and Paula my little crumb snatching ruff rats "I will never forget all the many wonderful memories dawn and I had with you. I love you daddy no more pain and sorrow . You are people ridding Harley's with GOD now.put in a good word for me OK.cuz I'm doing the best I can in a world full of evilpeople and I'm doing it alone.
