“ Beth and Jeff, I only meet your Dad a couple of times at Soccer Games. He always had a great smile and friendly personality. Sorry for your loss, I understand because my mother died December 27, 2012. It is never easy, regardless of your age.

*Sure am going to miss our long phone conversations Pete and oh how you loved to get things stirred up. I know where your brother got it from, it's just like your Mom used to say "He didn't lick it up off the grass!" So before you start stirring up things in heaven...put in a good for for us!  
We Love you Pete, RIP*
