“ Dear Debbie, Gregg, Bud, Little Nick, and the rest of the family, I was so sorry to learn today of your mom's passing, and very grateful Gregg let me know. There are no words that can be said to soften the blow of losing her. That woman was the glue that held the family together. She brought such light and love and happiness to everyone who came in contact with her. All of the world will be a little duller since she has gone to be with Gordon. What a beautiful, loving person she was. Debbie, thank you for allowing me to know her. May she forever Rest In Peace. My love and condolences to the entire family. Zeita Murphy-Reed, Dallas, Texas
