“ *We will miss our wonderful sister-in-law, Ila. We are so fortunate to have had such a generous, kind, and loving woman in our lives. We will never forget the good times she and Roger provided for us and everyone in the family. The backyard parties, the fun at the pool, snowmobiling, visits up north and the delicious meals she cooked for everyone provide such wonderful memories. One of the most treasured kindnesses Ila provided for us was her willingness to share her and Roger's children with us which enriched our lives so much. Following the example they set those those children continue to include us in their growing families. Ila was truly the heart of the family and the memories she helped us make are a comfort.*
